No. B5.C.430/41-42.

From

Through:

The Deputy Commissioner,
Mandya District, Mandya.

Sir,

I have the honour to state that this Board have resolved at their Special Meeting held on 17th January 1942 to record the proceedings of the meetings in Kannada alone and it is being followed. This has increased volume of work in Kannada. Any amount of work in English or any number of copies thereof used to be got by typing them. But it is not so with regard to Kannada work. If copies are required they should either be got actually written up or printed. The local presses in the town are not so well equipped as to attend to the work entrusted to them promptly. To get them printed from outside stations would mean delay and costliness. To avoid all this inconvenience and facilitate work, a Remington Rapid Rotary Duplicator, was found absolutely necessary. A machine costing Rs.205/- was before purchased from Messers: Remington Rand Inc, Bangalore. The Board at their Special Meeting held on 26th June 1942, have approved of the purchase in view of ~~the~~ its usefulness. The cost of Rs.205/- has been met from out of Rs.500/- provided under the head 'C' Administration and Collection E.2. 'Office Furniture' in the Budget Estimates of 41-42. A copy of the resolution is herein enclosed for favour of information. I reques that under the above circumstances, sanction of Government may kindly be obtained to the resolution of the Board in this behalf.

I have the honour to be,
Sir,
Your most obedient servant,

President,
District Board, Mandya.
